I'LL
POUR
YOU
A
TEN

Old friend, I wish you a ten
in all you want-- to achieve, *****
to be, to have. But you can't *****
hold wishes, can't spend them ***
or drink them, can't even bow ***
to applause they generate. I ***
can't ever make them happen. ***
But this I can do-- give you *****
love. Tangible love from a *****
bean. Hot sweet love in
a cup. Inhalable and
tastable, a great
day boost.
Almond, hazelnut, cinnamon, mocha,
espresso, latte, plain or exotic.
Totally tenable tenets.
Dependable for life.
