

The Four R's
Rosemary, Robin, Rachel and Rue

No two alike:
mother, daughter,
sister and niece,
each role unique.

Each woman, too,
has these same hats,
all worn with style,
her own cachet.

And yet I see
one role stands out;
it suits them all,
befittingly.

The needed friend:
each one has starred,
each can excel.
Each does it well.
